Overview of Records

Repository: Providence Archives, Seattle, WA

Date: c. 1890s-1999

Abstract: Photographs document the facilities, personnel, departments, and activities of Providence Yakima Medical Center (and its predecessor St. Elizabeth Hospital), and its staff.

Quantity: 3 linear feet (6 boxes plus albums and oversize)

Administrative Information

Restrictions: Providence Archives is a private repository; access to some records is at the discretion of the archivist.

Preferred Citation: [Description of number or cited item]. (80) Providence Yakima Medical Center Photograph Collection, Providence Archives, Seattle, Washington.

Accession Information: These photographs were transferred to the Archives from the hospital and from sisters who worked there over a period of years.

Processing Information: Photographs were added over the years by Archives. A typed inventory was created and the collection re-housed in May 2002 by Peter Schmid. The collection was processed August 2003 by Peter Schmid.

Facilities

See also subject series for pictures of construction, groundbreakings and dedications.

A1 Building 1 (1891-92)

Dates: 1900; n.d.

See also oversize.

Albums

F1 Vince Family Album

Dates: 1952; n.d.

Donated to the archives by Helen M. Flower, who writes that "The Vince's son died in 1911 and I suspect that the enclosed pictures reflect their feeling for the hospital where he was a patient." However, the album more likely belonged to a doctor, as it contains photographs of doctors and doctors' banquets, 1952.

Auxiliary

Dates: 1960s-70s
