

## Message from the Board Chair

It is with a grateful heart that I have the pleasure to report to the community on the activities of the Providence Hospice and Home Care Foundation for 2010.

First, let me extend a warm thank-you to the thousands of people who chose to support our vital mission with a gift. With your support and involvement, we were able to serve thousands of patients, families and friends and successfully raise \$582,090 in total gifts. The distributions went to help the many needs of the organization that resulted in outstanding care to the residents of our community.

Camp Erin had a record number of 67 children attending the weekend event. Partners in Palliative Care increased their reach to needy patients through a full-time placement at the Providence Regional Cancer Center. Leadership for both the Hospice and Home Care divisions reported increased census during the year with a corresponding increase in productivity by their excellent staff.

Finally, I want to thank all of my colleagues at the Foundation who have worked over the past year to serve the mission of Providence: to reveal God's love for all, especially the poor and vulnerable, through our compassionate service. Here at Providence Hospice and Home Care, we live this mission each and every day.

It has been a pleasure to serve as the Chair during 2010, so ably supported by Foundation leadership.

In Gratitude,

Fontelle Jones
