

Direct Admit Patient

Welcome to Providence Regional Medical Center Everett

Your physician is admitting you to our hospital. When you arrive at the hospital, you will bypass the emergency room and be escorted either by a hospital Host or Medic directly to your assigned patient room.

Please review this form prior to departing for the hospital, as it will ensure a smooth admission process.

When you arrive at your hospital room, this packet of information will be given to your nurse.

Please arrive at the hospital no later than AM PM
